DEPARTMENT OF THE NAVY
OFFICE OF THE CHIEF OF NAVAL OPERATIONS
WASHINGTON 25, D.C.

21 October 1958

LETTER OF PROMULGATION

1. DNC 5(B), U.S. NAVAL COMMUNICATION INSTRUCTIONS, is an unclassified nonregistered publication issued by the Chief of Naval Operations for use within the U.S. Navy and U.S. Marine Corps.
2. DNC 5(B) is effective upon receipt, and supersedes DNC 5(A) and OPNAV 20-27 which may be destroyed.
3. This publication supports and amplifies NWP 16 and NWIP 16-1. It contains substantially those procedures and instructions promulgated in the JANAP and ACP series of publications, together with an expansion of that material and modification where appropriate. In cases of conflict it is intended that for U.S. Naval use DNC 5(B) shall apply. These instructions are designed to permit flexibility with due regard for the requirements of reliability, security, and speed. Initiative and common sense should be used in cases where no provision has been made to cover a particular communication situation.
4. Extracts may be made from this publication without the consent of the authorizing agency.
5. This publication may be carried in aircraft for use therein.

FRANK VIRDEN
Rear Admiral, U.S. Navy
Director, Naval Communications
