SUPPLEMENT 2

NAVY
ELECTRONICS SUPPLY OFFICE
GREAT LAKES, ILLINOIS

This supplement supersedes Supplement 1 dated December 1964 and contains data for equipment for the period September 1963 through November 1965.

FOREWORD

INTRODUCTION

This supplement to the Directory of Test Equipment is published under the same format as the basic issue. To facilitate the use of this publication, the user is encouraged to read the Foreword in the basic issue of the Directory of Test Equipment. Refer first to this supplement to locate a given equipment description; if, after consulting this supplement, the description cannot be located, refer to the basic publication.

This publication includes equipments that were being supported by the Navy Electronics Supply Office as of 1 December 1965.
