DATA DISPLAY CONTROL MONITOR

MODEM TUNING INDICATORS I/O

The control panel features several functional areas: a 'DATA' section with two horizontal slots; a 'MODEM' section with two horizontal slots; a 'DISPLAY' section with five small rectangular indicators; a 'TUNING INDICATORS' section with five small circular indicators; a 'CONTROL' section with three horizontal slots; an 'I/O' section with two horizontal slots; and a 'MONITOR' section with a single circular port. The labels 'DATA', 'MODEM', 'DISPLAY', 'TUNING INDICATORS', 'CONTROL', 'I/O', and 'MONITOR' are positioned above or below their respective controls.
